

Data Add, Edit & Delete

Data Insert & Receive table with JavaScript-Json (add-delete-update) features

This project is too small, in this project I am sending data from one table to another and I can edit and delete that data.

Moreover, the specialty of this project is that according to the name of the input table, the receiver will show the gender on the table, the input name is the name of the boy or girl.

*Watch the Data Insert Table:

The screenshot shows a web browser window with the title 'Data Update Table'. The address bar shows the URL '127.0.0.1:5500/Add_Edit_Delete_Table.html'. The page has a navigation bar with links: Home, About, Contant, Gallery, and a Login button. Below the navigation bar is a red banner with the text 'Data Insert Table Create'. The main content area features a form titled 'INSERT YOUR DATA'. The form has three input fields: 'Enter your name:', 'Enter your Phone Number:', and 'Enter your Date of Birth:'. The 'Date of Birth' field is pre-filled with '04-06-2022'. A green 'Submit' button is located at the bottom of the form. The footer of the page contains the copyright notice 'Copyright in : atanumajee147@gmail.com' and the date '15-04-2022'.

*Then change something and Update the Table:

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5500/Add_Edit_Delete_Table.html". The page has a navigation bar with links: Home, About, Contact, Gallery, and a Login button. A modal dialog box is open, displaying the message "127.0.0.1:5500 says" and "Contact Updated Successfully.....!!!" with an OK button. Below the dialog, there is a form titled "INSERT YOUR DATA" with fields for "Enter your name:" (Sarvani Lohar), "Enter your Phone Number:" (123456789), and "Enter your Date of Birth:" (24-11-2001), along with an "Update Contact" button. Below the form is a table titled "Received Your Data" with the following data:

Id	Name	Phone Number	Date of Birth	Gender	Action
1	Atanu Majee	08389033573	1999-02-05	male	Edit Delete
2	Sarbani Lohar	00000000000	2002-11-24	female	Edit Delete

The footer of the page includes a copyright notice: "Copyright in : atanumajee147@gmail.com" and a system tray showing weather (30°C Partly cloudy), date (15-04-2022), and time (22:14).

*When we are deleting this contact from the table:

The screenshot shows the same web browser window as before. A modal dialog box is open, displaying the message "127.0.0.1:5500 says" and "Are u sure to delete Record ?" with OK and Cancel buttons. Below the dialog, the "INSERT YOUR DATA" form is visible with empty fields for "Enter your name:", "Enter your Phone Number:", and "Enter your Date of Birth:" (dd-mm-yyyy), along with a "Submit" button. Below the form is a table titled "Received Your Data" with the following data:

Id	Name	Phone Number	Date of Birth	Gender	Action
1	Atanu Majee	08389033573	1999-02-05	male	Edit Delete
2	Sarbani Lohar	123456789	2001-11-24	female	Edit Delete

The footer of the page includes a copyright notice: "Copyright in : atanumajee147@gmail.com" and a system tray showing weather (30°C Partly cloudy), date (15-04-2022), and time (22:15).

*When successfully deleted the contact from the Table:

The screenshot shows a web browser window with the title 'Data Update Table' and the URL '127.0.0.1:5500/Add_Edit_Delete_Table.html'. The page has a navigation bar with links: Home, About, Contant, Gallery, and a Login button. Below the navigation bar is a section titled 'Data Insert Table Create'. It contains a form titled 'INSERT YOUR DATA' with three input fields: 'Enter your name:', 'Enter your Phone Number:', and 'Enter your Date of Birth:' (with a date picker set to 'dd-mm-yyyy'). A 'Submit' button is below the form. Below the form is a section titled 'Received Your Data' which contains a table with the following data:

Id	Name	Phone Number	Date of Birth	Gender	Action
1	Atanu Majee	08389033573	1999-02-05	male	<button>Edit</button> <button>Delete</button>

At the bottom of the browser window, there is a copyright notice: '^ ^ Copyright in : atanumajee147@gmail.com © ^ ^'. The Windows taskbar at the bottom shows the date and time as 22:15 on 15-04-2022.

This project is about how only edit buttons and delete buttons work. Also, here we will see how to work by adding API J son.

Editor: vs code

Thanks for Watching this Project
